Dear Bobby:

After reviewing your letter of May 18, 1987, I regret there is nothing my office can do to assist.

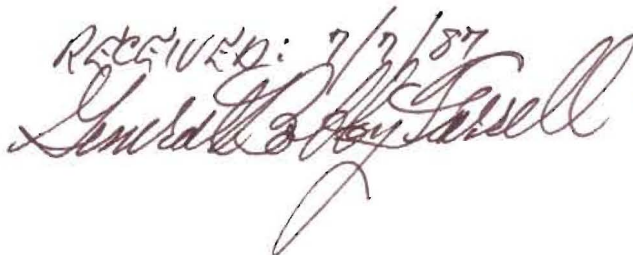

It appears to me that the Internal Revenue Service has made their position quite clear regarding your application for non-profit status under section 501 (c) (3) of the Internal Revenue Code. Based on the information you have provided, the IRS has requested, and you have failed to provide, the information needed to make a determination on your application.

If you continue to take issue with the position of the Internal Revenue Service, the appropriate forum to hear your case is our judicial system.

Sincerely,

Jeff Bingaman
United States Senator
