

YOU WANT MY VOTE?

Then during the remainder of your current term of office:

RESTORE THE CONSTITUTION!

To Wit: Amendment, The First, Bill of Rights!; specifically but not limited to: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."

And I damned well mean all of it, without any socialist agenda contamination!

To Wit: Amendment, The Second, Bill of Rights!; specifically but not limited to: "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed."

For those who will not read, "*infringe*" means: 1: *violate, transgress*; 2: *encroach, trespass*.

In the Constitution, "*people*" always means "*citizens*" – not government!

Currently **SELF-DEFENSE is a Felony!** Because, *thanks to crackpot socialists and One-World-Government Rhodes Scholars*, the MEANS to **SELF-DEFENSE is a Felony!**

Ask any socialist or gun controller, "How many of the victims were UNARMED?"

To Wit: Amendment, the First, Section 9; specifically but not limited to: "No Bill of Attainder or ex post facto Law shall be passed."

Attainder = The loss of all civil rights by a person sentenced for a serious crime.

Which under the terms of both the "**Patriot Act**" and/or "**Military Commissions Act**" even this letter can – and probably will – get me convicted of some crackpot socialist 'serious crime'.

Ex Post Facto = Formulated, enacted, or operating retroactively.

Habeas Corpus = A writ issued to bring a party before a court to prevent unlawful restraint.

Regardless of the damned lies of the Administration and Department of Justice denying abuses, there are already reported *disappearances of Citizens*, and controlled-media silence does not change that fact!

Therefore: in the restoration of The Constitution of the United States of America, I do further demand the immediate and complete extermination and abolishment of "**The Patriot Act**", "**Military Commissions Act**", Department of Homeland Security and all gun controls! The United States fought World War II, Korea, Vietnam, and the Cold War to rid the world of Fascism's and Communism's socialist "secret courts" – and any war or military engagement is NOT an excuse to ABOLISH the Constitution of the United States! PERIOD!

To Wit: Amendment, the Fourteenth, Section 1; specifically but not limited to: "All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws."

"Gay Rights", "Bussing to Achieve a Racial Balance" which only applies to Black Races (Bussing to achieve Academic Excellence is an entirely different matter!), and 'hate crime' statutes, all violate the last sentence of the above provision.

To accomplish any of the above, you can start by throwing the One World Government socialists OFF the Supreme Court!

And the above is just for starters.

YOU WANT MY VOTE?

Therefore: in the restoration of The Constitution of the United States of America, I do further demand the immediate and complete extermination and abolishment of any and all laws and/or statutes that permit only Degreed Attorneys, et cetera, to sit on the various Judicial Benches. The practice has blown our so-called 'crime/criminal problem' into a **railroad-everybody-in-sight** epidemic requiring us to build more prisons than schools.

Therefore: in the restoration of The Constitution of the United States of America, I do further demand an end to all Foreign Aid; specifically but not limited to: **any and all nations involving the United States in their internal affairs** – starting with the annual and totally unnecessary billions-dole to Israel.

Therefore: in the restoration of The Constitution of the United States of America, I do further demand the immediate recognition of the **cause** of illegal immigration from Mexico as being the **MARXIST ECONOMY OF MEXICO!** Then and only then can these United States even begin to find and enforce a justifiable and affordable solution to the current **socialist-created** epidemic.

Therefore: in the restoration of The Constitution of the United States of America, I do further demand an end to the Gestapo cum KGB tactics employed against our own people who made the mistake of securing **Student Loans**; and the **immediate forgiveness of any and all such debt** – just like we do all those so-called 'friendly' nations with their hands in our Foreign Aid pocket! Our tax dollars would be far better invested in our own Citizens.

Therefore: in the restoration of The Constitution of the United States of America, I do further demand the immediate and complete extermination and abolishment of the so-called **"No Child Left Behind Act"**. It is a socialist government congame offering a 'Certificate of Completion or Attendance' instead of a High School Diploma.

This is how the socialist congame works! Students unable to pass **both** the Language Arts and Math portions of the 10th grade **must take the same 10th grade test again** in the 11th and 12th grades until they pass both portions, and failing that they have two options: **1.** Drop out and go to a GED program; or **2.** Accept a 'Certificate of Completion/Attendance' – which is NOT a diploma – and once a student accepts a 'Certificate of Completion/Attendance' **they can NEVER get a diploma or a GED!** And that is just the beginning of their eternal socialist damnations.

For as long as the victim lives, they can **NEVER** enter the Armed Services, go to college, trade school, journeyman's school, beauty school or culinary arts school; **nor can they EVER get a federal loan in their lifetime!** This is the portion of **No Child Left Behind** (2001) that George W. Bush's socialist handlers slipped into the 2004 revision, **and has not been publicized.** All 50 States have 'Certificates of Completion or Attendance' and the socialist congame is referred to as the "Paper Plantation".

For those with the courage to KNOW, the above point was included in the FALL OF THE UNITED STATES, THE SEVEN PARTS OF THE FINAL SIGN given on Friday, April 2nd, 1965 (GCAD) as provided on Page 3 of this Open Letter.

Therefore: in the restoration of The Constitution of the United States of America, I do further demand the immediate and complete extermination and abolishment of the so-called **'Revenue Sharing Act'** that takes State money under the guise of 'sharing it equally' but only serves to blackmail States into enacting **'Federal Standards'** under threat of losing their own money!

I ask our Republican Delegation: "Where is the remaining **TWO THIRDS** of the so-called Contract with America? **You had all THREE HOUSES,** and I demand an answer!

No **HONEST** and documentable answer? Then do **NOT** expect my support or vote.

No **HONEST** and documentable action toward these demands? Then do **NOT** expect my support or vote. You **CAN** expect me to support, work and campaign **against** you.

FALL OF THE UNITED STATES
THE SEVEN PARTS OF THE FINAL SIGN

- 2043 ""Beware My Son, for this evil and polluted generation of fools shall seek a sign of their impending enslavement, and a sign shall be given it; a sign which to any prudent mind shall be sufficient, but a sign which the degenerate and the damned shall ignore!
- 2044 ""**Part the First:** When you shall see the economy of the House of Joseph filled to overflowing with unpayable debt, though the strength of the people to produce shall yet exist;
- 2045 ""**Part the Second:** And you shall see the institution of even greater burdens of debt inflicted upon the whole of the land under the disguise of crime prevention, though all the facts and figures expounded thereof are but lies upon lies to seduce the people into enslavement;
- 2046 ""**Part the Third:** And you shall see the institution of even greater burdens of debt inflicted upon the whole of the land under the disguise that all shall share the goodness of health – citizen, friend, intruder and enemy alike;
- 2047 ""**Part the Fourth:** And when you shall see the head of That Great Harlot of Babylon at Rome support the very immoralities that great pagan religion shall reputedly condemn, though that very priesthood shall be known to all as dedicated participants of those very immoralities even unto the highest offices;
- 2048 ""**Part the Fifth:** And when you shall see the Legislated Enslavement of the innocents in full disguise of legislated improvements, in the high chambers, in the courts, in the marketplaces, in the schools, in the streets, and in the homes and wheresoever the innocents must needs be gathered;
- 2049 ""**Part the Sixth:** And when you shall see the enactments into the law of the land the deprivation of the innocents and the producers and the loosening of the degenerates and the parasites, under all manner of disguises of reputed justice where there is no justice but to the degenerates and the parasites;
- 2050 ""**And Part the Seventh:** When you shall see all these vile and disgusting atrocities glorified and endorsed by the media and the traitors and the manipulators, for there shall be none other expound and endorse them; know that the Great Enslavement is at the very gates and can only be defeated by violence and by fire!
- 2051 ""Know for a certainty, My Son, though all these Treasons and High Treasons are committed by Rhodes Scholars and their witless minions: when all these things are full and the vile and corrupt sit in the highest seats, then shall the remnant either be secured as I have instructed or they shall thenceforth be considered and counted among the heathen whom I shall destroy! Then upon the House of Joseph and upon the House of Israel shall come the fury of the Holocaust and the horrors of the Tribulation!
- 2052 ""Their great cities shall burn, and their farms shall be fit for nothing! And though they flee into the wilderness places, they shall not find Refuge from the pestilences! Neither shall they find escape from the invasions toward slavery! Their rivers shall be a cess and a pollution, that there shall be none who drink of them that shall live! The horrors of the enslavements shall be as comfort when the Holocaust of My Wrath shall come upon the cities of the House of Joseph as a wave washes upon the shore, without warning, without resistance! The people in high places shall have reduced the great strength of the nation to nothingness! And they shall neither lift a hand to fight against the Enslaver nor the fury of My Wrath! All the great cities of the House of Joseph shall receive the Fire of My Fury, and all the people therein shall know the Years of My Wrath!
- 2053 ""And all that they are shall be but targets for the machines of war!
- 2054 ""Lo! A third of them shall die in the Holocaust; and a third of them shall die in the war and pestilence that follows; and the remnant of them shall suffer at the hands of the invader, even the Enslaver! And of the remnant of the Holocaust and the war and pestilences of the fallout, yet a third shall know the merciless chains and the whip of slavery!
- 2055 ""Yet of them shall I save yet another remnant, even as the Very Elect, even the hairs bound in the skirts of The Prophet: under your own very hand alone shall I save them even though they be in the nations! But yet of that remnant also shall I test in the fire that they should be worthy of me as you are worthy of me!
- 2056 ""Have no fear, Son of Man, Aku, Mine Own Anointed, for you are the Chief of Mine Elect, and there is none else by whom I will have My Holy Elect accounted! Neither is there any other unto whom I will entrust My Promised Holy People!
- 2057 ""Beware, House of Joseph: for neither will I spare those not under the shadow of the wings of My Beloved Son of Fire! And Mine Own shall not know either the pollutions of Accursed Canaan nor the defilements of Impure Cush, nor the whips and chains of Global Enslavement, nor the horrors of the Holocaust of My Wrath, nor the terrors and the sufferings of the Years of Tribulation except by their hearing! For they shall be far from it, and far from all that it shall surely consume!
- 2058 ""Beware, House of Joseph, for the few hairs bound in the skirts of the Prophet shall not be sufficient for me to remove My Hand of Wrath and Destruction from off you! For had those few hairs heeded My Call before the Days of My Wrath they should not have suffered in the Nations.
- 2059 ""I have spoken it, I will also deliver it unto all the world!""

For the record: I am not now, nor do I ever intend, to seek any governmental elective or appointed office. That does not infer, and should not be construed to assume, that I do not intend to remain active and involved in the moral, political, economic and social well being of these Great United States of America, nor the **ABSOLUTE RESTORATION** of our equally Great Constitution.

Are there flaws in that Most Holy Document?

YES! The First of TWO most major flaws being, the provision under Article VI: Debts, Supremacy, Oaths; "All Debts contracted and Engagements entered into, before the Adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation.

"This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding."

Under which all our Copyright, Intellectual Property and Trademark protections were legislated into oblivion by the Japanese Trade Agreement! The list of other equally disastrous **Economic Treasons** and atrocities is all but endless. This particular flaw alone has permitted **Foreign Sovereign control over vast natural and economic resources of the United States** to the abject detriment of the Citizens who are totally unaware of the manipulations and **Legislated Enslavements** involved. This was certainly **NOT** the intent of the Founding Fathers, but is a One World Government socialist reality of today.

And Second, the lack of clarification between "a jury trial" and a "trial by jury" which are TWO entirely different things! Kak lawyers and equally God-Playing Judges have enforced the 'jury trial' congame, that then and there instantly became LAW by PRECEDENT, whereby a Judge can – and often does – order a "directed verdict", usually "guilty", in spite of prevailing and exculpatory evidence to the contrary, deliberately denying both the Accused's right to a fair trial by a jury of their peers and the Citizen's right of such determination.

An additional proviso of the immediately above should include the **ABSOLUTE** requirement of a **FULLY INFORMED JURY** – which would permit the jury to determine, that in such cases as they shall deem appropriate, that **THE LAW DOES NOT APPLY!** The fact such proviso would upset the socialist God-Players-On-Government-Payroll to no end – as it would empower the Citizens serving on any jury to **OVERULE** the court and all concocted evidence in addition to totally devastating the current Prisons, Pardon and Parole graft machines.

For instance: a **FULLY INFORMED JURY** could determine that a parent or guardian who, upon failure of duly constituted authority, eliminated a socialist, illegal narcotics trafficker, or perhaps a child molester/rapist/abuser under their right and obligation of SELF-DEFENSE and/or their legal obligation to "protect and defend the Constitution," et cetera, that any and all other Laws, Statutes, Regulations, Prior Practices including Court Precedents, **WOULD NOT APPLY!**

Now you current crop of crackpot socialists on government payroll and your respective One World Government manipulators can't permit such Freedom and Liberty to exist in the hands of anyone other than yourselves, can you? If you could, the Citizens would still have such Rights, Freedoms and Liberties and you and your One World Government manipulators would **NOT** have court-precedented and legislated all such provisions into oblivion.

And while you're at it: consider legislation with respect to, and to the effect of, massive outsourcing of jobs, technologies, industries and other such relevant economic factors to any and all Foreign Sovereigns should then and there constitute **ECONOMIC HIGH TREASON!** It already is in reality – it just needs to be **PROPERLY** enacted into Law.

Government doesn't have a totally untrustworthy and damned liar reputation because somebody instituted a series of smear campaigns, **YOU EARNED EVERY DAMNED BIT OF IT!**
