

EXTENDED AUDIENCE
THE MOST HIGH
27 July 2014 = 29 Tamuz 5774

""Son of Fire, Son of Fire, that you should be more-fully prepared for this Age of Grand Atrocities and that all My Great Horsemen of My Grand Apocalypse should stand prepared against Lucifer and all his minions: That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Daughters; the Demon-possessed Islam of Mecca, Medina, Jerusalem, Constantinople and Jakarta; and the despicable of self-devouring (**cannibalistic**) Hindus; the Sons of Ashkenaz posing as My Chosen Israel and all their secret powers and damnations by Mayer Amschel Rothschild, Karl Heinrich Marx, Friedrich Engels and their generations unto these very hours of which there are none in the Generations of the Rockefellers who are not counted among those Damned; the Lodges and all their pretence of righteousness; and propagandists who are but knowing liars; therefore:

""Son of Fire, Son of Fire, BEHOLD and know it is forever established: you are My final Anointed of My Unalterable Promise; and you are My Living Voice upon the whole World (**Planet Earth**) and unto the whole Earth; and as I, Myself, Named My Own Name upon you: so you were Commissioned as My Own Title: even My Holy One of Israel, and you are thus My Holy One in Israel! And there is none else. Even as the Days of My Prophet Isaiah the whole Earth yet filled with violence, and that violence of evil Adama at the behest of Nephilim, even the Synagogue of Satan!

[Understand that: I, The Anointed of This Generation of Fire, am "A" Holy One IN Israel and The Most High ALONE is "THE" Holy One OF Israel! Do not confuse, do not mix, and do not mock!]

""Assume total and absolute Command of this Grand Quarter;

""Assign your Command to opposition to Lucifer at all his stations that he neither maneuver nor communicate without interception.

""Permit not him to maneuver or reassign even in normal rotation. Require him to establish and maintain.

""These are the Days of Fire before the Days of Holocaust before the Days of Tribulation and the Days of Restoration even unto Shiloh.

""These Days of Great Evil are not of happenstance but are of deliberate circumstance and calculated abomination.

""Station your Commands.

""Son of Fire, Son of Fire, Behold! I have sent you to a generation devoid of Truth, Justice, Integrity and Honor; devoid of Righteousness yet overflowing with knowing lies, all manner of harlotry and all things despicable, cognizance of which even the least of mind cannot deny! Lo! This vile and corrupt Generation of Fire has defiled even their own Innate before all they profess! They claim authority upon three most corrupt writings ever maintained by Adama since the beginning of the Days of Ish: the Talmud, Latin Vulgate and Qu'ran; knowing all are an abomination in My Sight! Lo! I neither adhere to nor endorse so much as one jot or tittle of any: for they are knowing abominations in My Sight: none more abominable than another! I have given My Holy Law and I will not change from it.

""Son of Fire, Son of Fire, these are the Days of the Beginning of My Wrath: upon the Nations, upon the Accursed, upon the Harlots and the Blasphemers, upon the Secret Societies, upon the Fallen Seraphim and all their minions and Nephilim (**Anunnaki**), upon all the Cherubim who have turned their Four Faces against Me, upon the Order of Thrones who have distorted My Holy Chain of Command, upon the Order of Dominions/Lordships who have elevated the unqualified to authority, upon the Order of Virtues/Strongholds who have afflicted My Keepers at the Gates, upon the Order of Powers/Authorities who have contaminated My Holy administrations, upon the Order of

Principalities/Rulers (Kings, Queens, inherited governments, elected, unelected and appointed officials) who have knowingly performed all manner of hidden evils and desecrations, upon the Fallen Archangels who conspire with Lucifer in all things corrupt, upon all the Fallen Angels who administer ignorances inflicted upon the Adama: Yea!, even That Great Babylonian Harlot at Rome and Constantinople (**Catholic Church**), all her Harlot Daughters (**all Christian Churches**); the Demon-possessed Islam of Mecca, Medina, Jerusalem, Constantinople and Jakarta; and the despicable of self-devouring Hindus; and the Sons of Ashkenaz posing as My Chosen Israel even the House of Levi, the House of Judah and the remnant of Benjamin. Here and now inscribe them Before Me and put that Script to the flame as My Testimony against them: and I will burn them forever lest they repent unto Me in your very presence with due tithes, acceptable gifts and offerings. Lo! They will not: therefore their Eternity is upon their own heads and upon their own hands.

""Son of Fire, Son of Fire, I am exceedingly angry!

""Son of Fire, Son of Fire, observe now the peoples, and those who spare them not: that your Testimony of them not be incomplete nor contain any error. Behold the evil upon the whole World; behold the knowing corruption within all Israel (**Ephraim and Manasseh**) for there are none of any innocence anywhere in their Chambers nor anywhere in their secret Lodges; behold that all is of design and intended evil. Lo! Discern them in all their every guilt: and prepare to destroy them from Before My Face forever!

""Son of Fire, Son of Fire, in your rage and rampage spare not the whole of the House of Ashkenaz; their sins exceed their evils and their evils exceed their abominations: they are without Truth, Righteousness, Justice, Honor, Integrity or value Before Me! Spare them not! Neither concede them anything, for they have defiled the whole of Japheth, contaminated the whole of Shem and desecrated all under their dominion.

""Son of Fire, Son of Fire, observe now Wormwood (**Chernobyl**) and all the dying and agonies thereof: it was of Ashkenaz who brought forth the horrors without regard for any but their intent! Lo! Intent! Intent! Such is Ashkenaz: the waters of Wormwood are the waters of Ashkenaz: and it was so from the very beginning of Ashkenaz! Did he not poison the waters of his brothers that their flocks die and their crops wither that in their deprivations they should serve Ashkenaz? Yea! And Ashkenaz has not relinquished his knowing abominations upon the unsuspecting: from fluoridation poisoning to forced pedophilia and every desecration to his own profit.

""Son of Fire, Son of Fire, has not Ashkenaz implanted destructives (**remote controllable nuclear suitcase bombs**) in all the great cities and hinterlands upon the whole World?; and then murdered those who assembled and performed the implanting that none but the Elite of the Ashkenazis know the where and the sequences (**detonation codes**)? Did you not disclose such?; and be reviled by all who knew the truth of your warning? Yea! Did you not stand as a watchman on the line and sound the alarm?; and none came forth to the defense? Lo! There are none more vile in My Sight than Ashkenaz!

[At the time of my initial disclosure, 1990 AD, there were 160-plus U.S.A. cities that had already been secretly implanted with RCNDs – Remote Controlled Nuclear Devices – termed "suit case bombs" placed in 'government' facilities. ALL those selected to be a part of this operation were systematically exterminated upon completion of their given assignment. The Most High indicates there are 310 - limited yield one-to-three megatons - such suit case bombs in the U.S.A. alone.

Consider this fact: should any of these devices be detonated: (1) the entire area would be an all-but unsurvivable territory; (2) and viable assistance to victims would be minimal if any; (3) downwind fallout would be determined by weather at the time; and most-importantly (4) the public will be told the already Ashkenazi-scripted 'who' and 'why'.

How many in your association have their own incoming missile detectors? NONE! How many dumber-down Islam psychopaths could deliver such a device anywhere? NONE! The Ashkenazi-controlled media will issue blame upon the most politically expedient of the day: and the proletariat does not and will not have any resources or access to expose them for the wholesale murderers and damned liars they really are!

Chernobyl was an Ashkenazi Incident, Fukushima was a deliberate Ashkenazi destruction.]

""Son of Fire, Son of Fire, observe now Wormwood for there are none of Wormwood that is not of Ashkenaz: Chelyabinsk, (**Kyshtym**), Leningrad, Balakovo, Seversk (**Tomsk-7**), Russia; entire series in Ephraim (**United States**); and Fukushima Daiichi, Japan: were not as given unto the peoples: but were of Ashkenaz! Fukushima, Fukushima: how long before I avenge you upon Ashkenaz? (**Fukushima Daiichi had empty reactors explode, #4 blew twice!**) Ashkenaz, Ashkenaz: how long before I destroy you and all your Hosts of Knowing Evil?

""Son of Fire, Son of Fire, know that it is Ashkenaz, the banker of Islam, the advocate of all evil and abandonment of all My Holy Law: which is not the Talmud; the desecration of all things True, Righteous and Holy! Yea! Since before the Days of the Gates of Babylon did Ashkenaz export sufficient of Semiramis to Tuscany; and there established That Great Babylonian Harlot (**Roman Empire transformed into the Roman Catholic Church**)! Therefore, when you discern that your Testimony be Truth, True Righteousness and Perfect before Me: shudder not that much is secret and much that is secret is Ashkenaz: for upon the whole World only Ashkenaz is more competent in all things vile and vulgar than Accursed Canaan and unrepentant Cush.

""Son of Fire, Son of Fire, Lo!, Ashkenaz is the author of the Talmud, even of the Days of Exile! For even then Levi endorsed them, Judah did not reject them and Benjamin accepted them: all knowing Ashkenaz was neither Israel nor My Chosen People according to My Promises to Abraham, Isaac and Jacob!

""Son of Fire, Son of Fire, Lo!, the Talmud is an extreme abomination: teaching desecration of the youth that generations condemn themselves in My Sight! Lo! The Talmud enforced by law and substance (**economics**) as the Sacred Way and Sacred Rite compounds My Wrath upon the populace. It is an external abomination, an internal abomination and an infernal abomination: for Righteous Truth is not found anywhere therein. It is but a whole abomination: an incurable disease of the mind, a incurable pollution for the soul; the foundation of epitome evil, the father and mother of vile from which came the Qur'an! Yea! The Talmud is the uttermost of despicable, and the Qur'an is its bastard seed: even its mongrel. Behold! In neither is there anything of Truth or Righteousness: but of both are the Spirit of Wormwood.

""Son of Fire, Son of Fire, Lo! Wormwood is exceedingly bitter. Spare not Ashkenaz in your testimony against them and I shall spare not Ashkenaz either unto Shiloh nor unto Everlasting. Wormwood is the essence of bitter and brings only death, oft in lingering disability; such is Wormwood and such is Ashkenaz. It is upon Ashkenaz for Ashkenaz spares not to create the unspeakable that Ashkenaz be profited to assist the afflicted. Shudder not that much is secret and much that is secret is Ashkenaz: for upon the whole World only Ashkenaz is more competent in all things vile and vulgar than Semiramis and all her Harlot Daughters and Sodomites and unrepentant and polluted Ishmael.

""Son of Fire, Son of Fire, spare not: speak against Ashkenaz and in That Day it shall be more tolerable for Sodom, Gomorrah, Nachuai (**NASH-YOU-IEE**), Zuhareth (**ZOO-HAR-ETH**) and Mehnkassah (**MEN-KASS-EH**), evil Cities of the Plain, than for any Ashkenazi!

""Son of Fire, Son of Fire, speak against Babylon, Rome, Constantinople, Mecca, Medina, Jerusalem and Damascus: and I will burn them with unquenchable fire for their knowing abominations against Me, My Holy Law and My Holy Judges who testify against them; even My Beloved Proven Knowers of My Great Testimony!

""Son of Fire, Son of Fire, speak against the Isles (**Ireland, Isle of Man, Bailiwick of Jersey, Bailiwick of Guernsey, North Scotland**) and I will visit them with My Unquenchable Wrath for they are the blood of Manasseh polluted of Babylon, Rome and Constantinople. Lo! Are there any of Manasseh in compliance of My Holy Law? Nay! Or you would be My Prophet among them!

""Son of Fire, Son of Fire, speak against the Synagogue of Satan that is the whole Secret Lodge of Ashkenaz, and I will make them the uttermost of desolation in agonies beyond their comprehension! Woe upon woe to any in their company for they know the vile thereof. Lo! Are they not the Sons and Daughters of the Doctrines of Death and Perdition? Are not their democracies void of democracy?; their republics void of the ruled's consideration?; and the people's existence but infinite enslavement? (**democratic peoples republic**); for the pomp and pleasure of the Luciferians of the Synagogue of Satan? Yea! They are but vile in all their disguises.

""Son of Fire, Son of Fire, speak, and I will hear your Testimony; demand My Beloved Akurians speak and Mine Ear shall be open unto them: even all of My True and Faithful.

""Son of Fire, Son of Fire, that you should know, that you should understand, that you should also comprehend, that you should not suspect, that you should not suppose, that you should not believe, for I have sent you to a determined and damned generation in My Sight. They are damned because they will not know, understand, nor comprehend and apply My Holy Truth. Their determination is cast against them and upon their own heads of their own preference and their own deeds. Lo! Did I not establish all these things, even My Own Holy Law, when I created Akasha (**First of the Five Elements of Creation**) that all might exist? When I created Air (**Second Element**) that motion should exist? When I created Fire (**Third Element**) that increase and expansion that there be growth in all I have created? When I created Water (**Fourth Element**) that all I have created might be commanded and controlled? When I created Earth (**Fifth Element, Physical Universe**) that all I have created might be manifest unto itself and be a bridge between all the Heavens (**Sixth Element**) and all the Depths (**Seventh Element**)?

""Was it not three hundred sixty creations ago that I established all, and naught has changed of that which I intended and which I accomplished? Lo! Did I also not prepare for the evil, the vile, and the disobedient?

""Son of Fire, Son of Fire, therefore have I sent you forth. Not in raiment of authority nor of great recognition that your presence be as an emptiness and none be aware. Yet you are Mine Authority in the whole of this Quarter of Creation, and in all authority thereof there are none superior or supreme save Me, and Me alone. Though this Generation of Fire in this whole of Creation is but a tiny spark: it is the point of a Very Ending and its Very Beginning as I, Myself, ordained it at the Very Beginning when I presented forth all this that is. Though Lucifer defiled and defamed of his own free will, such was not My Intention and his atrocities are upon his own head.

""Son of Fire, Son of Fire, that you know: In the Very Beginning of My First Creation, before I brought forth existence of the elements, did I bring forth Elisha, a help meet unto Me. In the Very Beginning of My First Creation then did I bring forth all those to become as I am that I might continue unto greater and unto greater. Lo! Because I established freedom of all things and in all things that perfection might be experienced, known, understood and comprehended that wisdom, right and justice prevail: necessity required a lesser restriction. Thus did I permit evil to invade Akasha and all the Grand Elements (**Air, Fire, Water, Earth**) thereof.

""Son of Fire, Son of Fire, that you understand: I did not encourage evil, nor did I bless it with anything beyond its capability to exist. Lo! And there are counted upon counted that rehearse evil and call it by all lesser and greater titles, and all know and understand what they do: that it is vile and against all Truth and against all Righteousness. Lo! They are a Great and Irrevocable Testimony against themselves and their destruction is upon their own heads. Have I not provided Truth and Righteousness that none should defile themselves? Have I established that which cannot be understood as to the reality

thereof? Nay! From the Very Beginning I have not. All is understandable. All is comprehensible. Therefore, evil is without excuse and without justification of pardon. Lo! I am a merciful God and My Forgiveness is that which is of My Patience. That you understand My Forgiveness is not without limit and My Patience is not without end.

""Son of Fire, Son of Fire, that you comprehend: I send you adrift through the Ages, unto the Highest Realms, all the Heavens at Large, the far reaches of Earth and into the Depths where I punish. Lo! I would not have any ignorant. Lo! Many are ignorant of themselves, preferring their own considerations as superior to My Own though saying not, yet they do. You shall see many, corrupt of themselves, that abandon all that unto them is their displeasure and persist that all they do is both of truth, great wisdom and righteousness. Lo! They comprehend their lies are lies and their persistence is of their purse until life is expended. Lo! Then I hear them not lest I, Myself, become an accessory to My Own Damnations. Comprehend, Son of Fire, comprehend: I will not betray Myself, nor My Holy Law, nor anything I have created nor any condition I have established. And there are many who die their death to find their death is only beginning and the burning horrors thereof are as I established that the vile and the corrupt should perish and no more contaminate My Creation with their presence. Comprehend, Son of Fire, comprehend.

""Son of Fire, Son of Fire, as you drift and experience the Ages, the Realms, Heavens, far reaches and the Depths you shall be fully aware. Many shall claim but none save Mine True and Righteous Ones of My Great Testimony shall venture thus, for it is of their duty I give Mine True and Righteous Ones of My Great Testimony this knowing, this understanding and this comprehension. Lo! It is of this venture Mine True and Righteous Ones of My Great Testimony shall qualify to teach access to all Truth, to testify of all Truth though it offend many and to judge without any other consideration that none of Mine True and Righteous Ones of My Great Testimony profit themselves. Thus their Judgment is Before Me and cannot be questioned.

""Son of Fire, Son of Fire, know, understand, comprehend and be cognizant of the Great Harlots!

""Son of Fire, Son of Fire, the Great Harlots determined of themselves to violate Truth and to deceive that they provide not any good thing, therefore is their destruction upon their own heads for they know what they do and the despicable thereof.

""Son of Fire, Son of Fire, the Great Harlots are those who bring forth all vulgar, vile, evil and disgusts: for the Great Harlots are all manner of vulgar, vile, evil and disgust. Yea! They refresh themselves in all manner of agonies, suffering, destructions, blood and death of their creations. Yea! They worship themselves in the perfections of all that I despise.

""Son of Fire, Son of Fire, the Fury of the Great Harlots shall spare not, neither shall they spare against any that understand them and witness their evils. Lo! Are not the Great Harlots of blood and of death and of contamination? Are not the Great Harlots of all pretence, pomp, ceremony and disguise? Lo! Are not the Great Harlots of violent persuasion and forced adherence? Are not the Great Harlots of extortion upon all the poor that they be maintained in want generation unto generation? Lo! Are not the Great Harlots of enforced ignorance upon all the foolish that resist them not? Yea! The Great Harlots are well-tended of themselves and expound it as evidence of their authority to falsely express My Hand and are fully cognizant they are of deception only. For they have not any power beyond their tongue and their script save by force. Thus they are of all corrupt judicial. They set the wait (**wait upon the lord**) of miracles that are not miracles, that deception be upon deception. They rehearse the appearance thereof that the ignorant be further deluded and the Great Harlots be further empowered to deceive.

""Son of Fire, Son of Fire, know, understand, comprehend and be cognizant the Great Harlots exceed the Great Sons of Schafarda in all things vulgar, vile, evil and disruptive. For the Great Sons of Schafarda are the Incestuous Sons of the Great Harlots: bastards generation unto generation; and are the Masters of all vulgar, vile, evil and putrid. As their harlot mothers before them the Great Sons of Schafarda are bereft of all honesty – Master Prevaricators – caring only for themselves and without

capability of sense. Yet, of all the Great Sons of Schafarda and their desecrations even unto themselves, none are as decadent as any Great Harlot Daughter.

""Son of Fire, Son of Fire, know, understand, comprehend and be cognizant that among the Great Harlots and their Great Sons of Schafarda repentance is a farce and a deception. Therefore accept not their pretence lest you be consumed of them and your removal from Before My Face be upon your own head.

""Son of Fire, Son of Fire, venture wheresoever there is creation, spare neither time nor existence; for all is of Me save the evil My Living Ones have accomplished. In the Very Beginning I made all things pure and in the Very Ending pure will I require them; and My Living Ones who have defiled, even the Great Harlot Daughters and their Great Sons of Schafarda, shall neither escape nor amend. Nay! In My Great Harvest they shall be cast into the Eternal Fire of My Unending Wrath and My Creation shall endure them no more forever.

""Son of Fire, Son of Fire, mark creation in all its substance, all its processes and all its manifestations. Note with due accuracy all that is from My Very Beginning unto forever that the abundance thereof be verified, even in this hour. Know, understand, comprehend and be cognizant that all who follow My Holy Law shall stand among the Staff of My Great Judgment and not before the Court of My Great Judgment. For I Judge and I Judge and I Judge that all Mine are pure and clean and separated.

""Son of Fire, Son of Fire, by this sign shall you know and have neither doubt nor question the practitioners thereof are Great Sons of Schafarda and Great Harlot Daughters: Lo!, they murder and spare not the helpless and the innocent to sacrifice upon their altars! Lo! Do they not also sodomize the youth entrusted to them?; rape and murder those helpless with full abandon?; and rehearse their perversions among themselves to sacrifice upon the Altars of Immense Evil? Lo! They set themselves as appointed to expunge Accursed Canaan and Unrepentant Cush from My Creation: and they are not so authorized! I will dispose of Accursed Canaan and Unrepentant Cush and neither the Great Sons of Schafarda nor the Great Harlot Daughters shall assist Me!

""Son of Fire, Son of Fire, they call themselves by titles of righteousness and of the whole of them there are none righteous Before Me: That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Daughters; the Demon-possessed Islam of Mecca, Medina, Jerusalem, Constantinople and Jakarta; and the despicable of self-devouring Hindus; and the Sons of Ashkenaz posing as My Chosen Israel even the House of Levi and the House of Judah. And all of the Nephilim, by design of the Nephilim and by support of the Nephilim. Lo! They are a gathering of vile upon the World beyond the vile before the Days of Utnapishtim (**Noah**). Lo! I am angered against them and though they profess My Service: they are neither of Me nor of anything of Truth or of Righteousness or of obedience to My Holy Law.

""Son of Fire, Son of Fire, they do as they are and they are as they do.

[YES! Jesuits are Sons of Schafarda.]

""Son of Fire, Son of Fire, prior to you were all these creations and I would that you should see them, know them, understand them, comprehend them and be cognizant of them that you be not deceived nor ignorant of them and all that they are.

""Son of Fire, Son of Fire, this is the nature of all things in My Great Creation:

""First is light as all is light; and light is of frequency from none (**ZERO**) unto infinity.

""Behold! All light is energy and each pulse from the none unto infinity is of its own shade (**color**). The shade is exacting to the frequency thereof. That of none is the appearance of absolute (**black**) and is of none frequency, and in the Great Depths is exceedingly hot, seeming emptiness and extreme horror. The frequency of infinity is absolute clear (**transparent**), exceedingly hot, visible alone

to the **(Spiritual)** Eye, filled with all manner of goodness and pleasure. That which is absolute clear of the Earth is not My frequency of infinity, but the absence of solid matter; for My frequency of infinity far above the Highest Abstracts.

[The Planes of Heaven above the known: Hasannah, "HA-SAN-AH - In The Highest!"; Causal, "HA-KAR-MAH"; Mental Plane, (Ideah) "ID-EE-AH"; Higher Astral, "HES-STER-AH"; Lower Astral, "HAS-STER-AH"; Etheric Plane, "HATH-THOR". Hasannah is considered the lowest Abstract. Slightly above Ideah and below Causal is the Reflecting Ether known as the Akashic Records where everything: past, present as happening now and potential future are documented.]

""Behold! The frequencies of light do not change in presence or mix: they create a frequency between them equal to the share of all, thus the impure shade of partial frequency between them even should it be one pulse.

""Behold! In the whole of Earth **(Plane)** all matter is compressed light energy. Neither is all energy, light or matter contained in Earth; though all are attainable **(in the Scalar)**. Yea! Though frequency is of time, different energies and light oft appear present **(exist)** in the same place in the same time. Lo! And presence is measured of its own gravity; for even gravity is subject to time. All are malleable, some require great force.

[Neutrinos move faster than the speed of light and therefore backwards in time.]

""Behold! As light becomes unto itself toward solidity, gravity becomes present though light has not yet become Earth. Yea! A great confusion of that which is visible and that which is transparent in My Lower Planes. Lo! Those of reputed great learning and infallible wisdom would be better spent as a playing dog chasing its tail. For all their grand presumptions are knowing folly, yet they spew supposing they will be indemnified for their much spewing.

""Behold! Note the many living fools that rant much about light and yet know nothing of it! Consider the many Spheres of the many Suns: light in all its forms and frequencies emanate from the surface in close proximity: and even at the greatest distance those particles have not any distance **(space)** between them? Were the many living fools of such great intelligence they would measure that expansion and discover the true magnitude of My Great Creation! Yea! They would cease to be the imbeciles I consider them. And they would be required to answer: whence comes the light between the light? Hear and heed not such fools, for they are forsaken of their own ignorance

""Son of Fire, Son of Fire, into the Great Expanse.

""Where distance is all and neither energy nor manifestation thereof are present.

""How great is that distance? From where unto where unto where?

""Son of Fire, Son of Fire, into the Great Realms, distance, height, width are beyond cognitive relevance, expanse is ever and forever until I recur in the Greater.

""The number of Great Realms, each unto itself and an expanse a part of the whole.

""Great Realms within Great Realms that Planes and Places exist, existence and the substance of existence be manifest that creation be known.

""Son of Fire, Son of Fire, into the Sacred and the Secret where none impure may venture of their own. Note the purity that is perfect. Note the comfort of the Sacred and the beauties of the Secret. Of the Sacred, structures of the Sanctuaries of Great Knowledge. Of the Sacred, the beauties of the Great Permanences of the Great Knowledges. Note the Light **(all frequencies and manifestations)** of Truth reaching unto forever from the Sacred, sending forth the Great Knowledges that naught of Truth or Justice be absent.

""Son of Fire, Son of Fire, into the Chambers. The substance of all are within the Chambers, all mysteries, all happenstance as existence modifies itself as time permits. Here suppositions become dreams and dreams become inquires and inquiries become knowledge. Here all truth prevails and all falsities destroy themselves in the presence of truth. Note the Chambers of Infinite Truth, Chambers of Infinite Comprehension and Chambers of Infinite Application where the evidences of deliberate violation are kept unchanged. It is in the Chambers of Application that balance is required lest emotion and lust consume all.

""Across all My Many Creations evidence of energy goes forth as light, even of the Sacred and the Secrets. That evidence is of light, for light is the substance of all creation even where there is not. Its very absence is energy unto itself and the void thereof is evidence that I have not completed all I intend and all I will accomplish. Are not the emptiness of the voids a power of their own? Do they not balance as all I have created? Yea! And they are the places of energy without determination (**frequency**) or polarity. Force and energy are not the same, one being the manifestation of the other, ever and always.

""Son of Fire, Son of Fire, into the Chambers and observe the many Vales. Within the many Chambers are many Vales where all is contained that the forces and energies thereof are ventured forth to become a reckoning. The Chambers of Infinite Truth. Many Vaults, many ways, many Vales and many Cauldrons of many forces and many energies.

""Within the Great Chambers of Infinite Truth, in the first of the Vaults are the Vales of Cauldrons. In the first Vault, the first Vale, the first Cauldron. Here are the purposes of My Great Venture that all may become likened unto Me in all things. Unto Me all things are possible and the Essence of My Being. Here in My First Vault, My First Vale and My First Cauldron are the forces and energies that extend forever that all may overcome. Therefore are all the Great Harlots, the Great Sons of Schafarda and all who abide them are without exemption for here is the Essence and Evidence that in the Very Beginning I set not one above another. I alone am above all and My Guidance is Absolute and the Blessings and Curses of Mine Appointed is without exemption. Lo! I appoint not any impure in their generations.

""In My First Vault, My First Vale and My First Cauldron are the forces and energies that extend forever that all may overcome: for many shall venture and know injustice, horror, hardship, grief, pain, knowledge, understanding, comprehension, wisdom, comfort, safety, pleasure and contentment. Of themselves, learning that they know and not suspect or suppose. Eras and Ages exist and are consumed into the past, most evidences unlearned and forgotten. Eras and Ages exist and My First Vault, My First Vale and My First Cauldron are the forces and energies thereof in the forces and energies of time that shall persist until all thereof are known, understood, comprehended and the status. Thus is the presumption of the present (**in the now**) and it is the present (**in the now**) that the forces and energies of My First Vault, My First Vale and My First Cauldron should not be squandered. Nay, ought thereof unto the uttermost should not be squandered.

""Son of Fire, Son of Fire, into the Great Chambers of Infinite Comprehension where consideration is without limit, nor bound with time; that all should be known, understood and comprehended in wisdom that Truth exists everywhere in all considerations: and falsity be compared that it succeed not. Everlasting unto everlasting is not without exception of consideration for even time is its own limitation. Therefore procrastination and disruption are of the same energy and the same force and serve only the worthless while I permit time to abide them. Comprehension should not be delayed for comprehension is a manifestation of applicable Truth that time cannot alter nor dispose.

""In My First Valley, My First Alcove and My First Atria are the forces and the energies and the evidences that are forever until I complete this First Intention: and neither the Great Harlots nor their Great Sons of Schafarda shall escape unverified. Here in My First Valley, My First Alcove and My First Atria are the forces and the energies and the evidences that shall stand pure and uncontaminated as to all I have preferred, all that has been proven as I have prescribed and all that has been attempted to alter. Comprehend, the Great Harlots and their Great Sons of Schafarda shall attempt all manner of alteration

presenting themselves superior to My Great Creations and My Knowledge, My Understanding, My Comprehension, My Wisdom, My Authorities and My Powers. That they are observed, here resides all evidences that shall not be altered lest I be fallible, as the Great Harlots and their Great Sons of Schafarda shall profess and prefer. Here, only I may alter, and I will not until My Great Intention is finished and fulfilled; and then I will renew.

""Son of Fire, Son of Fire, into the Chambers of Infinite Application where application is of all and variations are purified in Truth and the Very End known, understood and comprehended at the Very Beginning eliminating excuse. There is not without application. Application is the essence of all energies and forces in proper order and procedure for the sole purpose of accomplishment. The Chambers of Infinite Application are of Truth above all else, identifying that which is movable, malleable, recoverable, contaminable and returned to purity.

""In My First Vale, My First Arena and My First Station are found all the Keys to Application that ignorance be not. The Vales extend unto the Great Darkness where light exists not though forces, energies and naught (**nothing**) are the essence thereof. Absolute naught is equal as all ought in strength and application.

""Son of Fire, Son of Fire, though the Great Chambers extend unto infinity and beyond they are themselves finite and with absolute limit. Time alone is the ultimate factor. Though there be Great Locations of knowledge, of power, of deeds and error: time alone is the Supreme Master of all Creation. Unto time there are neither absolute secrets – for all shall come forth from the naught – nor permanence of anything save truth: for truth is the Great Foundation of all Creation. Likened unto Me, truth is permanent and unchanging from the Very Beginning unto forever and forever.

""Son of Fire, Son of Fire, thus I have made all Creation that My Perfection be not in any error, and that Mine shall have it all, that they want for nothing beyond My Service: that great shall become greater and pleasure shall be the infinite essence thereof. The attainment of Truth, Comprehension and Application are the first great learnings that knowledge and understanding of all that is secret be common and used wisely. Thus I have made all Creation and thus will I retain it.

""Son of Fire, Son of Fire, observe the vastness, seeming unending to unending, subject only to time. Time is the most malleable of all My Creations and Truth is the most absolute. And that without error, for truth cannot be altered. Nay, even time cannot alter truth; the attempted alteration of truth is temporary and with appropriate penalty.

""Son of Fire, Son of Fire, observe that you know, understand and comprehend that My Great Creations are of perfected essence unto infinity and are a great balance: that infractions be not everlasting but are an everlasting testimony and evidence against themselves. Woe to the knowing perpetrators thereof.

""Son of Fire, Son of Fire, This is the beginning and the ending of all My Creations until one has become as I am; and so shall it be: Three Hundred and Sixty Creations as I am perfected in all these things and go forward unto those Greater Creations I have not yet established.

""Son of Fire, Son of Fire, behold all before you for although it appears unto forever in time and distance, it is but a greater expanse than any of My Creatures have yet comprehended and with greater applications and refinements that any of My Creatures have yet accomplished.

""Son of Fire, Son of Fire, that none deceive you: Lo! The knowing ignorance of those who profess much wisdom, appointing themselves as great intellects: Do they not claim that in the beginning of material creation all matter was compressed into an infinitesimally small piece of matter, then exploding into all that is? Yea! They spew such. Do they not claim that black holes consume (**intake**) everything within their sphere and nothing escapes? (**Professor Stephen William Hawking disagrees and is herewith exempted, his opinions are very close to this given by The Most High**): are they not knowing liars? Yea! They are knowing liars and knowing fools! And what does a black hole accomplish? The separation of mass (**including light**) into energy: at great compressions and fervent heat where even time is an inconstant; emptying itself into Creation as neutrinos (**particles of light**

frequencies moving faster than light and backwards in time – manifest as 'snow' on analog television sets) and other parts (particles and energies) never altering My Great Creations as it changes in My Established Order! Yea! All that I created in the Very Beginning yet exists, and will not diminish until all be fulfilled.

""Son of Fire, Son of Fire, Lo! They are knowing liars and knowing fools! They consider not that I might have brought forth all things of a white hole? Nay, they consider not such lest it portray them as evil ignorants, and cling to their knowing inaccuracies of a small particle exploding into a huge expanse which their own calculations verify as erroneous! Lo! It was not of a white hole spewing forth as a black hole consumes: it was of Mine Own Self that all came forth, ages beyond ages ago; and I have not yet finished!

""Son of Fire, Son of Fire, you have askance of Me?""

"Sire, are each of Your Great Creations of the same time?"

""Son of Fire, Son of Fire, no, each are unto themselves. In expanse and endurance as a bead of jewels: minute in each but appearance of matched perfection.""

"Sire, have any of the many Creations contained war and destruction as this?"

""Son of Fire, Son of Fire, no, but each has contained its own calamity; the heavens defiled and the depths polluted; and in the Earth: suns bursting (both coming into existence and burning out), great collapsings, collisions great and small; and those Living Ones suffering their own penalties upon their own heads.

""But this Creation has preferred pollutions (humans, livestock and plant life) and war, at the instigation of Lucifer and his Fallen: therefore did I perfect War and gave you life that you destroy the Great Deceivers (of all politics, sciences, economics, religions, et cetera): the warmongers, the war mongrels and their mongrel (racemixed) generations. For they are the knowing enemies of Truth and none are ignorant thereof. Thus they deceive and defile with cunning aforethought: and only the unmindful consider them not. Lo! Does not a full third of My Holy Law apply to farmers, processors and marketers of food and all thereof? And where therein have I permitted hybrids of any kind?; for they are tasteless, without natural nutrition and contain all manner of vile poisons! Lo! I shall not excuse any who violate even the most-minor elements of My Holy Law in That Day! Yea! The stench of burning and decaying congregations of That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Daughters; the Demon-possessed Islam of Mecca, Medina, Jerusalem, Constantinople and Jakarta; the despicable of self-devouring Hindus; and the Sons of Ashkenaz: That Great Synagogue of Satan in guise of My House of My Holy Septre, even Judah; shall be a sweet savor unto Me! Lo! I am The Most Patient, yet I long for the curls of stench and smoke that My Soul shall be satisfied of That Great Cleansing!

[No hybrid of any kind will breed true! It takes generations of careful and flawless selection to restore just the physical. Blessings and Curses are always three and four generations – and in the instance of Anusazi/Adama "SOULS" specifically of Accursed Canaan and Accursed Cush – can be perpetual except by due Repentance to The Most High and NOT to any subordinate including the non-existent "Jesus"!]

""Son of Fire, Son of Fire, therefore at a time I, Myself, have established will there be great horrors upon the World. And the Fathers of those calamities are Lucifer and his dedicated minions: Ashkenazis Mayer Amschel Rothschild, Karl Heinrich Marx and Friedrich Engels. Woe to the knowing

perpetrators thereof for they are not in ignorance and their knowing deceptions and malicious endeavors are upon their own heads, the blood and agonies thereof unmovable from their hands.

""Son of Fire, Son of Fire, are there any in this Generation of Fire you correctly despise more? Nay! I say not. Lo! There are many upon whom your Testimony shall not spare, and My Great Judgment awaits their conviction.

""Son of Fire, Son of Fire, there are those that refuse My Voice of Truth unto them from Me with all evidences: therefore, there are those that refuse My Voice of Truth unto them from you: because you are Mine of your own earning and they are of the Damned of their own choosing. So shall it be and remain upon all such for they are Living Testimony against themselves, and none can gainsay them in any presence.

""Son of Fire, Son of Fire, I have shown you much of the Infinite Mysteries of My Great Creation, and now I reveal unto you other Mysteries, collusions, conspiracies and dedications of the Damned. In many Realms of the Chambers of Infinite Truth, many Realms of the Chambers of Infinite Comprehension and many Realms of the Chambers of Infinite Application are those who lurk to destroy for the sake of destruction. Without justification, without cause, without consideration. And they suppose themselves superior in all they do.

""In all the World – for they have not access to all Creation – they are the vile dressed in the Robes of Pretence. The vile are those of Lucifer and his minions, and they parade themselves as being of the cloth and having authority of and access unto Me, the Supreme Divine.

""They do not!

""Lo! They have not public access to the Nephilim who created them!

""They do not possess either authority of nor access unto Me: or they would Honor Mine Anointed rather than persecute and murder them! Do they not persecute and seek to murder you and all My Beloved Akurians, Proven Knowers of your Holy Appointment even this very hour? Yea! And they shall not restrain themselves unto Shiloh!

""Son of Fire, Son of Fire, these are the Damnables, some even before Ish (**Adam**), Anunnaki of the Nephilim and fellows of equal abandon. Lo! They present themselves in colors and great carvings and great engravings: that all Adama be deceived of them. They spare not to slaughter whole generations to enforce their lies and their deceptions. And these are the Ancient Musters of all those of the World and their pretences.

""These are the most vile save those I have noted (*). All are Anunnaki of the Nephilim or mix with Adama. None I have not exempted are to be trusted except to deceive and promote unrestrained murder, especially of innocents and ignorant. Know that much of their titles are but claims and therefore of neither authority or competence. Yea, they know My Holy Law and they cease not to enforce against it that My People, even My Holy Ones should they falter, involve themselves in the abominations;

""That you and all of Your Testimony (**Proven Knowers, Disciples, Seekers of Truth**) be not deceived; and be not deceived by the Anunnaki:

""A son born of a King and his Queen wife is a Prince; a daughter born of a King and his Queen wife is a Princess; and are due heirs thereof. A son born of either but not of the other is but a son of entitlement; a daughter born of either but not of the other is a daughter of entitlement; and are due heirs of their parentage save the lineage of authority. A son or a daughter born out of wedlock, without exception, is a bastard even should the parents marry after the birth; but woe to whomsoever shall abandon their bastard child, for that bastard is a child and not capable unto itself; and is still due as an heir thereof including the worth of that house in all but the succession of the lineage of authority. Lo! A bastard shall not in any manner enter into My True Temple, nor present themselves before My Holy Altar as of righteous birth Before Me as Testimony against the parentage thereof! Lo! Even a bastard in

full repentance Before Me shall in no wise enter My True Temple: for they are living Testimony against the abominations of their fathers **(and their mothers)** unto Shiloh!

""A son or a daughter born of separate **(different)** races is a mongrel and the parents thereof are forfeit their souls because of that abomination. There is no greater Blaspheme Against The Holy Spirit of Truth! Lo! Are not the harlot **(female)** participants thereof forever marked by telegany? Yea! It is a great abomination Before Me and across all My Many Creations: because it is the supreme act of harlotry. Lo! Neither a mongrel nor the parentage thereof shall in any manner enter into My True Temple, nor present themselves as righteous lineage Before Me! Lo! Even a mongrel in full repentance Before Me shall in no wise enter My True Temple: for they are Living Testimony against the abominations and blasphemers of their fathers **(and their mothers)** unto Shiloh!

""A son or daughter born of harlotry is both a victim and a mongrel, whether the mother went whoring or the father went whoring, the blaspheme of them is equal and only the child is near innocent Before Me. Lo! Are not the women of the night willing partners?; the men of the night seekers of vile?; neither to husband nor to wife but of whoredom? Lo! I shall not excuse those who walk the way and accept their whoredom as happenstance. For thus I made marriage holy and set the boundaries thereof. Never shall I excuse a forced intercourse, for rape is rape, and an evil abomination in My Sight: and the rapist shall be put to death with their blood upon their own head.

""A false accusation of rape shall not be tolerated and shall be considered as the crime of rape against the accuser: and the false accuser shall be put to death with their blood upon their own head and thus shall the silliness of vain and evil women be removed from before My Face.

""A son or a daughter born of incest is a victim of unspeakable evil: and woe shall not be absent upon the knowing perpetrator. Know the child is a child, innocent Before Me and an Eternal Testimony before all My Many Creations. Though I dispose of that entity, without mercy as I have ordained, the agonies thereof of all they shall accomplish, and the blood thereof, shall be accounted upon the heads and hands of both the parentage and the instigators thereof.

""Son of Fire, Son of Fire, know that whomsoever shall harm a child, born and unborn, I shall not spare! Upon whomsoever shall profit from the harm of a child I shall expand Perdition that they burn forever. A mother's life is often the price of a child, for so it is in My Anger.

""Son of Fire, Son of Fire, be not deceived of the Anunnaki of the Nephilim! Lo! They are vile, of themselves they are vile; and few are of Me and My Holy Law. Therefore, trust none and time will prove them yea or nay!

""Son of Fire, Son of Fire, though the despicable are rampant upon the land and an infestation upon the people: you are My Living Testimony that of all blasphemers there is none greater than claiming baptism of My Holy Spirit of Truth being nothing but self-inflicted mind deceptions: Yea!; they are evidences and testimonies against themselves! Upon such claims of receiving the Holy Ghost: do they perform any miracles?; water into wine?; healing all manner of the sick and afflicted?; raising the proven dead?; or accurately prophesying? Nay! Neither do they keep My Holy Sabbaths nor obey My Holy Law! Lo! They have deceived themselves within themselves and are far more of Lucifer than they are a mite of Me!

""Son of Fire, Son of Fire, have you not witnessed these damnations?; at Carolina?, at Four States?, Fairmont?, at Pittsburgh?, at such gatherings across the Nation of Ephraim? Yea! For I, Myself, held Presence at your right hand as they testified of their knowing lies in testimony against themselves: and in the very company of My Prophet among them that they knew not nor did they recognize! Woe! For the abominations upon them are upon their own heads and at their own hands!

""Son of Fire, Son of Fire, beware the Yhukuzuts **(YOU-COO-ZAHTS , those who create and distort problems that they extort to solve/treat them, mental health being the foremost example)**, vile Spirits who created the Lodges and the Jesuits to deny the True and Righteous: publishing grand lies and displayed brilliance upon the deceived that they erroneously assume they are the select of wisdom

and the righteous right of power. As the cities were built it is the Yhukuzuts that determined the lay and purposes thereof. And their handiwork of cramped and useless alleyways, excrement in the streets, cold and darkened depths to inflict their miseries upon inhabitants separated by wealth and status. Lo! It was the design of the Yhukuzuts that polluted the people, poisoned the rivers and devastated the land. Lo! Are not the corruptions and unquestionable authorities yet today, even this hour?

""Son of Fire, Son of Fire, beware the Yhukuzuts, for they have hidden themselves in the most-secret shadows of the most-secret Lodges and secret course pavilions of all governments and it is the Yhukuzuts who are the creators of all emotionalisms of all false religions. It is the Yhukuzuts acting from afar that deceived the Sons of Shem and the Sons of Japheth to modify and distort the Truth of their fathers unto their own fourth and fifth generations in the sight of Utnapishtim: who was selected because he was pure in his generations. It is the Yhukuzuts that perpetuate knowing lies as truth and spare not to enforce those lies by all and any means. Yea, it is the Yhukuzuts who entice only pleasure as the most desirable of achievements; and it is the Yhukuzuts that sent Diana out with the daughters of the land and destroyed her.

""Son of Fire, Son of Fire, it is the Yhukuzuts that rejoiced in the Lodges at Richmond and Indianapolis and Washington that they had secured you unto your death. Lo! The Yhukuzuts heralded light unto the empty corners and closets in celebration. And that joy remained until your first slaughter of them required reckoning. For those of the Spirits of Yhukuzuts are adamant unto death until it is their own.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Lodges that have corrupted the races, knowing that I am The God of Absolute Purity; and that nothing impure can enter into My Very Presence! Though it is an enormous abomination Before Me and a tremendous loss of souls I will neither alter My Holy Law nor forgive the unrepentant. Avenge them as you will for, Lo!, are you not My Holy Avenger?

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Order of My Seraphim with division aforethought that caused the Great Fall to erupt. Though Lucifer (**Son of the Morning**) became a deviate upon his own head, the Yhukuzuts adorned him with their own glammers supposing they had all success and all victory.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Order of My Cherubim who sent thousands upon thousands into the realms of the unworthy. Lo! My Cherubim are not infants as a nursery, but huge and of great experience and wisdom. Many who preferred the emotions of the Yhukuzuts to their own perfection stand in the ranks awaiting Me to accept their repentance.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Order of My Thrones that are the Seats of My Many Judgments and My Many Revelations: that all who sit thereon err in all they do and abuse in their administrations, preferring cliques of profit to Truth, Honor, Integrity and Justice.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Order of Dominion casting the generations into supposed superiority over that which they have only responsibility to teach and instruct Truth, Honor, Integrity and Justice.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Order of My Virtues that present evil and good, approved wrong and right and correct and secret lies as truth upon the uninitiated.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Order of My Powers that claim sacraments are My Forgiveness, bread as flesh and wine as blood in the names of demons and emblems of death as those of life everlasting.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Order of My Principalities to cause them to be of none effect; for it is Me alone that establishes rule and order and removes the crowns of authority and success of leaders. That I may permit them for a little season I burn them for their neglects even as I burn them for their abuses and even as I burn them for their excesses.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Order of My (**fallen**) Archangels that they spare not hour by hour to restrain Me in all I command of them; and My (**Seven unfallen**)

Archangels fear not the abominations they must restrain and remove. Neither do My Archangels complain of the much they do to maintain My Holy Will and their Righteousness Before Me to be worthy of their duties.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Order of My Messengers (**Angels**) that they should drift in their ways, alter My Holy Law to accommodate the worthless and express comfort unto all who live disobedience and rebellion against Me. Many have the Yhukuzuts sent astray and I will consume all who adhere to them.

""Son of Fire, Son of Fire, it is the Yhukuzuts infested in the Choirs of those who have advocated the damnations secreted in the lodges. The Choirs repent not, therefore they have ought Before Me save their own destructions upon their own heads.

""Son of Fire, Son of Fire, though the Yhukuzuts profess much mystery they are but deceivers. Lo! My Many (**all-but uncountable**) Great Mysteries settled in My Many Realms of Great Mysteries where you have seen and learned at the feet of My Great Masters: are not all the Yhukuzuts lacking in the True Knowledges thereof? Yea! And I will not abide them, thus they seek to destroy all Mine Holy Ones of Truth.

""Son of Fire, Son of Fire, spare not either the Yhukuzuts or those who abide them for they are not of Me nor of any of My Great Mysteries. Lo! My Great Mysteries are not of any evil, nor of any deception, nor of powers or authorities of abuse or of injustice. Lo! Much of great ado exudes from the Yhukuzuts as scripture unto the ignorant and the deceived: though failure is absolute, the ignorant and deceived remain and are violent in their retention of all the Yhukuzuts expend upon them. And here is evidence, among all the Yhukuzut infected religions are the Lodges present: within the congregations, within the offices and upon the altars. Yea! The mystery of their untold failures is present among them and their secrets are testimony against them.

""Son of Fire, Son of Fire, though there be masses of Deluded and the Damned and vast scripts of the Doctrines of Death: the Yhukuzuts are the fathers and mothers of both. Lo! Are there not those who suppose great followings or longevity are evidences of truth and of sanctity? Yea! And such is neither a mystery, a deception, nor a doctrine to any of Mine!

""Son of Fire, Son of Fire, are not the very skies subject to your Command?; do not the Great Winds heed your summons?; and the lifting up and tearing down of great entities and organizations obedient to your discernments?; and the Command of My Beloved Akurians, Pathfinders of My Own Great Testimony? Yea! For they seek the perfections of My Holy Law and not the Secrets of the Satans as do the Yhukuzuts and all their minions.

""Son of Fire, Son of Fire, it is a truth of the Yhukuzuts that none of the adherents or the obedients of the Synagogue of Satan are without the secret deceptions of the Yhukuzuts upon them. Yea! There is not one temple upon the whole World that is not profaned of the Yhukuzuts. There is not one holy place upon the whole World that is not desecrated of the Yhukuzuts. There is not one altar upon the whole World that is not dedicated to the Yhukuzuts and their putrid secrets save those builded with your hands. And those few altars the Yhukuzuts nor any of their adherents can in any manner pollute. Yea! They dare not approach beyond the bounds lest I require it upon their heads in That Day!

""Son of Fire, Son of Fire, observe all the deeds and doings upon the whole World by the trusteds thereof and you will see the secrets of the Yhukuzuts accomplish their destructions.

""Son of Fire, Son of Fire, know that where whoredom and immorality (**pornography, sodomy, harlotry**) exists: there is the essence of the Yhukuzuts; endorsed by all the Lodges, all the churches, all the temples, all the mosques and all the religions: heralding My Name!

""Son of Fire, Son of Fire, know that where violence (**gangs**), organized destruction (**organized crime protected by government**) and socialism exists: there is the essence of the Yhukuzuts; endorsed by all the Lodges, all the churches, all the temples, all the mosques and all the religions: heralding My Name!

""Son of Fire, Son of Fire, know without exception none such are of Me even unto the slightest and that I am not of them unto the slightest. Know that in all My Judgments they are the most-treacherous of abominations against all Truth; and I despise them even as That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Daughters; the Demon-possessed Islam of Mecca, Medina, Jerusalem, Constantinople and Jakarta; and the despicable of self-devouring Hindus; and all those who are not of My Holy Law! Lo! The vile Spirit of Yhukuzuts pervades them and none are ignorant, but are knowing participants.

""Son of Fire, Son of Fire, know: it is the Spirits of Evil that deceive the harlots of Israel to receive in their wombs of the Accursed Canaanites and Accursed Unrepentant Cush and the mongers of Israel to plant their seed in the wombs of Accursed Canaanites and Accursed Unrepentant Cush bringing forth soulless mongrels as testimony of their abominations: Yea! It is an Abomination and Blaspheme Against My Holy Spirit of Truth: which shall never be forgiven for they know the evil they do. Yea! They suppose themselves a great sacrifice of relief: and defy My Curses that I shall not remove! Yea! Their whoredoms, their abominations and their blasphemes are upon their own heads and the heads of all their mongrels in all their generations after them unto forever!

""Son of Fire, Son of Fire, know that where there are abominations by governments and governmental authorities, they are testimony against themselves and evidence of the vile Spirit of Yhukuzuts; and whatsoever you shall determine of them is justified in My Sight! Lo! Have I not sent you to be My Living Testimony of them?, My Supreme Avenger against them? Therefore, because they have chosen evil upon themselves, spare them not!

""Son of Fire, Son of Fire, as it is upon Accursed Canaan and Accursed Unrepentant Cush, there shall be no more the Yhukuzuts, nor any of their adherents, Before My Throne in Israel! Yea! I will dissolve their bones into nothingness.

""Of all things: secular, religious, political, social, Righteous and Demonic; know the evil thereof, for there is more evil upon the World than any other condition. Of all the evils upon the whole of the World, none is more virulent than the religions, none more vile than the socialisms, and none more putrid than the hybrids and genetically modifieds.

""Of all things: know Your Testimony thereof: for you are My Supreme Testimony of the whole World and all thereof, thereupon and thereabout. Behold! The Anunnaki, who lay snares against the ignorant that they be destroyed because their ignorance. Behold! The Nephilim, who comprehend much, share little and perpetuate agony unto destruction. Behold! The Demons of Babylon, Rome, Constantinople, Jerusalem, Mecca and Medina: Lo!, they are vile in My Sight and a contamination unto all Creation and a putrid unto all existence. Behold! The Traitors of District of Columbia, Chicago, Los Angeles, Ottawa, Mexico City (**North American Free Trade Agreement, NAFTA**), Canberra, Wellington, London, Brussels, Tokyo and Singapore (**Counsel on Foreign Relations, Chatham House, European Common Market**): they are the mouth, the hands and the feet of all that is abominable in My Sight! Let not anything of them be a distraction or pretence of any other: for they are vile in My Sight and a contamination unto all Creation and a putrid unto all existence! Trust them not in any appearance nor in any pretence: for they are as cast off dung.

""Beware first the Ashkenazi! For it is Ashkenaz that creates atrocity that they be enriched to absolve it! It is the Ashkenazi that screams of oppression when they are the oppressor; and of anti-semitism knowing they are not of Shem but of Japheth: and are not Heirs of My Unalterable Promise upon Abraham (**Ibra from where we get the Title "Hebrew" and "Iberia"**) but are essence and substance of the Synagogue of Satan.

[Ashkenazi – Revelation 2:9, 3:9; even in the days of Immanuel and Simon, the Rock. They were an infection then and a disease now. To know them is to want to destroy them, and their total extermination from this planet is fully justified by Holy Law.]

""Beware and know: Ashkenaz is the Grand Manipulator; even of That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Daughters, the insane Demons of Islam at Mecca, Medina, Jerusalem, Constantinople and Jakarta, and Mayer Amschel Rothschild, Karl Heinrich Marx and Friedrich Engels and all their generations! For they are the very breath of Lucifer and all his minions upon the World and into the far reaches.

""Beware, though Japheth dwells in all the places of Shem, Japheth has brought forth a vile and an evil in his generations: even of Gomer who brought forth Ashkenaz, for Ashkenaz is the most vile, most evil servant of the Synagogues of Satan wherever is he permitted to exist! Lo! Japheth has brought forth the Sword of Death into his own generations, and yet he stands innocent Before Me. Though I unsheathe your Great Sword against Magog and Gog because they are sent of Ashkenaz, Rothschild, Marx, Engles and the demon possessed who adhere them: I shall not excuse them nor shall I permit blame upon Japheth.

""Of all things that are, that have been and will be, even unto Shiloh: the horrors of Ashkenaz shall be written with the blood of many; that ignorant innocents consider not the evils before their own eyes nor the horrors upon their own heads.

""Woe to whomsoever and their generations after them: who shall follow the deceptions of Ashkenaz; for their death shall be upon their own head and their blood upon their own hands. Lo! With My Own Ear I hear Your Righteous Testimony of them; and I send even My Own Messengers of My Own Presence and find them not counter to Your Righteous Testimony of them. Therefore, because Your Testimony is True and without error, even in Ashkenaz's many attempts at entrapment, I will hear Your Testimony of True Repentance. For howsoever long you shall remain upon the World, shall I hear Your Testimony Before Me.

""Son of Fire, Son of Fire, Lo! The damnations of Ashkenaz shall not remain among My Iberians **(Hebrews)** nor My Chosen People, Israel. Though the Septre shall not depart from Judah and unto him shall the gathering of the Tribes **(of Israel)** be at Shiloh; I will not excuse Ashkenaz for any of their deceptions. Neither will I excuse those deceived of Ashkenaz, for their neglect is an equal and knowing-evil abomination. Yea! Are not all the desecrations of Israel, Judah, Levi and those of their company but manifestations of the knowing-evils of Ashkenaz? Are not those knowing-evils published by Ashkenaz unto a willingly deceived by Ashkenaz? Yea! And more evils also!

""Son of Fire, Son of Fire, are you not My Living Testimony of knowingly mindful suppressions of My Holy Truth at the hand of all Ashkenazis? Yea! Your Testimony Before Me is True: and Ashkenaz is the whole of that abomination! Yea! The very existence of My Beloved Akurians, Yea!, even a solitary of My Great Testimony, is My Assured Death and Destruction of Ashkenaz and any and all who behold them as My Chosen People: for they are not! Yea! And so shall it be unto Shiloh!

""Son of Fire, Son of Fire, My Living Testimony of This Generation of Fire, My Holy Anointed upon the whole World, My Living Word to the whole Earth: spare not Ashkenaz in anything: for they are the living lie of Israel, putrid as That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Daughters, the insane Demons of Islam at Mecca, Medina, Jerusalem, Constantinople and Jakarta who are an equal Abomination of Truth and Spirit, and knowing liars, advocating the edicts of wholesale murder of Mayer Amschel Rothschild, Karl Heinrich Marx and Friedrich Engels. Lo! They are not innocents, neither are they persecuted; but suffer the agonies of those who refuse to die the death that all Ashkenazis might deceive and rule the whole World. Yea! It was Ashkenaz that published and does still advocate the knowing required murders of innocents as adherents to the Scripts of Damnation by Karl Heinrich Marx and Friedrich Engels – Lo! Were not Mayer Amschel Rothschild's generations full and knowing fellows providing financing to the exclusion of available Truth there would be a complete absence of all those abominations.

""Son of Fire, Son of Fire, know that I have not spared them, Righteous Abel has burned them all; and I will not remove their horrors from them!

""Son of Fire, Son of Fire, know that of all scripts: all hidden, long suppressed and forced, none have greater potential of blood (**wholesale murder**) than those of Karl Heinrich Marx and Friedrich Engels! Nay!, not even the degenerated scripts of That Great Babylonian Harlot at Rome and Constantinople and all her Harlot Daughters, nor the psychopath renderings of Abū al-Qāsim Muhammad ibn Abd Allāh ibn Abd al-Muṭṭalib ibn Hāshim: Twelfth of My Promised Princes of Ishmael; will have murdered as unjustly nor as wantonly. No! There is none to exceed the atrocities of that advocated by Karl Heinrich Marx and Friedrich Engels. Lo! I will not excuse, I will not pardon, and I will never forgive Mayer Amschel Rothschild nor his generations for their knowing desecrations. Lo! None shall repent, none shall deliver the Holy Due into your hands that you place them upon My Holy Altar and I consider them; therefore shall they die in their sins, their death upon their own heads and their blood upon their own hands: because they have preferred Ashkenaz.

""Son of Fire, Son of Fire, know and understand: Ashkenaz is about blood. The blood of all who understand and oppose. The blood of all who are deceived that Ashkenaz is Judah. And the blood of all who know Ashkenaz is neither Judah nor of Israel. Ashkenaz pretence in their temples is hypocrisy. Ashkenaz pretence in all their institutions is hypocrisy. Lo! Ashkenaz is living hypocrisy. Ashkenaz has but one obsession: money; for great wealth is great power, and few there be who achieve great wealth and abuse not. There are none of Ashkenaz who achieve great wealth and abuse not. None. Have they not set all against you?, knowing you are My Anointed of the whole World in This Generation of Fire? Have any brought My Holy Due into your hand that you place it upon My Holy Alter in repentance? Nay! None. Therefore, It is My Testimony of you that there are none of the Peoples of this World, even Accursed Canaan and Accursed Cush, that you have not brought unto My Testimony: save Ashkenaz. Lo! There is True Righteousness among all My Peoples (**Adama**) save Ashkenaz. Have you not brought even the soulless to repentance that I restore them?, are there not once-soulless mongrels that stand Before Me even this day and this hour? Yea! But not one of Ashkenaz.

""Son of Fire, Son of Fire, take now full cognizance of this whole World; discern all the horrors and evils thereof; take cognizance of all the energies thereof and the origin of those energies; now extend your discernment into previous time: the ages do not hide the origins of all that has become horrors and evils and agonies upon the innocent and ignorant.

""Son of Fire, Son of Fire, and who are the originators and perpetrators upon the ignorant?; having the Truth and Knowledge among themselves and denying it to the innocent that all advantage be taken against the innocent and ignorant?""

"Sire, Ashkenaz, from his first generations. In knowing defiance of Japheth."

""Son of Fire, Son of Fire, as you stand Before Me upon the whole World, are not all efforts and endeavors polluted and empowered by Ashkenazis? Sparing not any depravity, any deception, any violence to enslave those who will not consider? Nay! None, save My Holy Truth unto all who Seek Me in Truth and Righteousness. Lo! Any of My Beloved Akurians are sufficient unto the whole of all the generations of Mayer Amschel Rothschild, Karl Heinrich Marx, Friedrich Engels, and Semiramis: That Great Babylonian Harlot at Rome and Constantinople, all her Harlot Daughters and the insane Demons of Islam at Mecca, Medina, Jerusalem, Constantinople and Jakarta. Ah, My Beloved Akurians are a great comfort unto Me.

""Son of Fire, Son of Fire, Great Joy, Peace and Understanding be upon all, whomsoever, you shall Bless: for I shall hear it and deliver in due time.

""Son of Fire, Son of Fire, Woe, great deprivation, failure and eternal condemnation be upon all, whomsoever, you shall Curse: for I shall hear it and deliver in due time.

""Son of Fire, Son of Fire, in the days of your preparation I set forth that whomsoever you will inscribe in the Book of Death I shall erase from the Book of Life.

""Son of Fire, Son of Fire, know and never else consider: I have made provision for salvation and escape from My Great Curse upon Canaan and My Great Curse upon Cush: I will never make provision for either salvation or escape upon Ashkenaz; for Ashkenaz is a master at deception and all pretence thereof is subject to the uttermost examination: I will hear only True Repentance, and of Ashkenaz such is not.

""Son of Fire, Son of Fire, that you have seen that which only some of the Messengers of My Very Presence have seen, so shall you know that I am as My Word (**Promise**), Everlasting and Unchanged. Never shall that which I have shown you recomprise itself, either of itself or by any other means. For that which I have established is perfect and there are no authorities above Me to make it either less or more or change the sequences thereof.

""Lo! In all your administrations you shall hear the heathen rage! Lo! Though they profess much learning, garb themselves with much finery, sit in the seats of high places and force all manner upon all they despise: those that are not as they are; they are not of Me nor of My Appointment. Let them rage. Let them rage, for those of this World know they are liars and will not stand before Righteous Abel or Me in any pretense of innocence. Let them rage, even those of extreme distances (**Anunnaki, Nephilim, ExtraTerrestrials**) are not beyond My Judgments and shall burn in the same Depths as all others who profane My Holy Law.

""Son of Fire, Son of Fire, you have suffered their great secrets and witnessed their knowing abominations – and you have defeated them without exception – and they rage because of their limitations for they have not seen, nor will they ever experience, My Great Creations. Lo! In all their pretence in the halls and temples of their Grand Lodges there is naught but evil, deceit, abominations of blood, death and destructions upon the innocent and the ignorant. Are these not the Chambers of Damnations and Abominations (**Lodges**) against the whole World and even the reaches of Lucifer's contaminations? Do they not sit in black robes (**Judicial Benches, Courts**) to destroy any they shall choose, to exist themselves in their gluttony? Yea! And in the name of Justice and under the pretext of law and order! Lo! By your Testimony and the Testimony in the Name of your Title Before Me shall they be condemned in My Sight and shall never escape the Eternal Burning.

""Son of Fire, Son of Fire, know neither the Nephilim, nor any of their adherents upon the World, will offer one jot or one tittle of true repentance unto you for presentation Before Me! Nay! None in high office, none in any of the vile denominations of That Great Babylonian Harlot at Rome and Constantinople and her Harlot Daughters, none of the abominations of the Nation of Islam at Mecca,

Medina, Jerusalem, Constantinople and Jakarta, none of the Hindu and none of the vile and corrupt in any of the Seats of Power anywhere in this solar system. Therefore, spare not against them and I shall not except them, Lo!, that which you pronounce upon them shall I accomplish: and they shall not escape.

""Son of Fire, Son of Fire, therefore, though you and My Beloved Akurians will suffer at all the instigations of That Great Babylonian Harlot at Rome and Constantinople, her Harlot Daughters, the abominations of the Nation of Islam at Mecca, Medina, Jerusalem, Constantinople and Jakarta, the Hindu and all the vile and corrupt in all of the Seats of Power: it is their own testimony against themselves. Lo! You and My Beloved Akurians are thus My Living Testimony against them in the Earth and the far reaches of time and distance of all My Creation. Lo! None of them shall escape My Great Judgment, nor shall they stand in any place of honor any more forever. Lo! There are no places of honor in the Burning Depths.

""Son of Fire, Son of Fire, were they of true repentance and under your Wings as My True and Righteous Holy Anointed Witness of This Generation of Fire, I would pardon their issues of ignorance and abominations – as I have of all Those of My Great Testimony – but they are not nor will they ever. I have shown you the great content of My Creations and unto the endless extent of it that I have been so to all the truly repentant. Lo! Are not even the Great Messengers of My Very Presence among the pardoned and the forgiven? Yea!

""Son of Fire, Son of Fire, know that all those of much din and clatter are both ignorant of My Many Realms and Great Mysteries and devoid of all Righteousness. For Lucifer cannot divide himself against himself: thus he must adhere to his own created deceits in the ears of all the possessed and gullible. For I declare unto you that Lucifer with all his expeditions has not seen – nor does he know, neither does he comprehend – the extent of My Many Great Realms and Creations of your exposure. Lo! Many publish of mountains, knowing not they refer to the Planes of Heaven, and they know nothing of that which is found only in those Planes of Heaven nor anything of True Righteousness. Lo! They have not ventured beyond their own ignorances, their own preferences, nor have they ventured beyond their own damnations: and they envy and despise to spare not any defamation of My Righteous Ones of whom you alone are the Most Supreme Senior. Are there not many Realms and Precious Places in each and every Creation I have shown you? Lo! And are they not all oblivious of that which I have just shown you? Therefore, know as they publish they are deceived and shall die the death of that deception: and their death shall be accounted upon their own heads and their blood upon their own hands.

""Son of Fire, Son of Fire, I have shown you Great Mysteries beyond the capabilities of all the Fallen; and I have not spared that you should have complete understanding thereof. For your Holy Commission Before Me is not one of miracles that may be of deceptions; nor is it of Grand Display for those who suppose robes and official finery are evidences of TRUTH or of My Ordination to power and authority. Nor anything of material substance: but of True Righteousness, Holy Authority and Great Responsibility. Lo! Though you rightly instruct all who will adhere – that they become those of great power and ability – I note you do little for yourself, either of great possessions or of much comfort. For after all these things do the vain and ignorant seek. Yea! The corrupt are in every nook and in every seam that they be openly presented and have close sanctuary to hide themselves in the Presence of Truth; but they have neither refuge nor escape from My Beloved Akurians instructed of your days. Do not even the Satanic Guards of the Gates of Hell tremble at your approach?, and the approach of any authorized to display your colors? Yea! They tremble. For they know: against My Avenger they cannot stand and they cannot escape.

""Son of Fire, Son of Fire, you have seen that which not all the Messengers of My Very Presence have seen; you have heard My Voice saying that which none else has heard all the like; you have witnessed Before Me as My Supreme Lord of All High Lords, My Supreme Judge of all Supreme Judges, My True and Righteous Holy Warrior, even Mine Own Avenger beyond this Generation of Fire:

and you have not altered any part of your Testimony nor attempted to explain justification of any evil or disobedience: therefore you are perfect Before Me even as I require of all others.

""Son of Fire, Son of Fire, as you have since My Holy Anointing upon you: teach all who will learn at your feet. Show them My Great Majesties. Reveal unto them My Great Processes. Rehearse them in all My Holy Ways that they be armed with Truth, Righteousness and Power. For the Days of Turmoil are even now upon all Ephraim (**United States**), and Manasseh (**United Kingdom, Canada, Australia, New Zealand**) for they have not cast off their self-inflctions of socialism and socialism's inherent degradations. Lo! The whole of humanity suffers the pangs and deprivations of socialism and the violence of enforced religions. Lo! Is not deliberate ignorant hostility more prevalent than Truth and Justice combined? Therefore, empower My Beloved Akurians, whosoever will serve Me in Truth, Righteousness, Justice and Honor as prescribed in My Holy Law. For it is of This Generation of Fire are those who will preserve and persevere unto Shiloh.""

"Sire, of the Lodges?"

""Son of Fire, Son of Fire, Of the Lodges, secret and clandestine organizations: not the domiciles of Aborigines!; closets of knowing and premeditated evil! There is neither truth, honor, integrity, justice nor righteousness anywhere among them nor anywhere within them. Such was not in their beginning, they became such as they became infiltrated of Ashkenaz. Such is their very essence today, even this hour; and will not alter nor change unto Shiloh.

""Son of Fire, Son of Fire, did you not slay of them to achieve justice? When your slaughter of them became more than they could bear, did they not relent to your demands?; and do they not still seek against you? Yea! And by their corruption are they known unto Me! Because they cannot deliver an authenticated True Bill against you: they are Damned in My Sight and I will not hear their pretence of repentance. Nay! They shall not enter into My Holy Presence for they are of lies and knowing blasphemy.

""Son of Fire, Son of Fire, you did not slaughter sufficient of them, for they still pollute the draught (**sewers**) of My Planet! Spare not any destruction upon them, for they are deserving of all horrors and all agonies, even as those they have enforced upon all others.

""Son of Fire, Son of Fire, in your patience: slay them, and slay them all!""

"Sire, and the few Disciples, may they have Spiritual Access?"

""Son of Fire, Son of Fire, are not your instructions sufficient? I have given and few partake. Are not all the Realms of Spirits at your beckon? Are not even the Gates of Hell open and subservient to your intrusion? Yea! And so shall it be until the Depths of Hell are forever closed and Perdition exists only for those for whom it was created.

""Son of Fire, Son of Fire, therefore in this manner instruct My Disciples:

""Call none in any other name: for there is but one Name pure and True Righteous in all My Creation: MINE!

""Call none who have lived by any Title of Authority or Title of Righteousness, even your own (**other Anointed**s). BEWARE: that you not bind yourself to them.

""Call none who have lived to perform any task of responsibility among the heathen and among the mongrels. BEWARE: that you not bind yourself to them.

""Call none who have lived to lecture concerning anything; for they spew only knowing lies.

""Call none to serve in any capacity nor in any performance nor any ritual. For they are of the deceased and shall be so until I call them at Shiloh.

""They can only scream in their agonies. Their dead bodies know not anything; but their spirit presences (**some do not have souls**) know only infinite agony of their disobediences and their

abominations; Lo! None escape. They cannot make any manifestations. All such are of the Demons to deceive, were it possible even the Very Elect.

""In this manner shall you summon them, to experience their screams and understand their agonies!

""Call none in any other name: for there is but one Name pure and True Righteous in all My Creation: MINE!

""Call none who have lived by any Title of Authority or Title of Righteousness, even your own. For by thus you bind yourself to them, and such they will not abide. (**"Jesus" won't work because there isn't any such entity! Do not use my name as The Most High just forbade it!**)

""Call none who have lived to perform any task of responsibility for they cannot reveal themselves. For by thus you bind yourself to them, and such they cannot abide.

""Call none who have lived to demand of them. For they are about themselves, some in rest, some in freedom, some in study, some in repose to recover, some in repose to prepare, some in repose to restore. They are without obligation to the World. (**No, they will not produce manifestations for you!**)

""Call none who have lived to lecture them, for they are already of Me and cannot approach.

""Call none who have lived to inquire the status of any other: for of most they know not. Some are together, some with their soulmates. Most are not, and I have required silence of them: lest fools create Dominions of Demons in their name and of their spirits and deceive many. Yea, neither of husbands nor wives nor children; neither fathers nor mothers; neither brothers nor sisters; nor any relative while alive inquire not concerning them.

""In this shall you instruct to summon them, to experience them and understand their presence!

""Son of Fire, Son of Fire, instruct all who will serve Me in the manners and processes of the Registries of Demons that My Beloved Akurians know them and cannot be deceived by them; and all Demons tremble in the Presence of My Beloved Akurians. For the Demons and their minions are many, very skilled and possess great powers; My Beloved Akurians are few and more capable because they are of Me! Instruct My Beloved Akurians to discern, bind, loosen and protect themselves against all Demons from Lucifer, the Chief of All Demons, unto the least of them: even all Jesus-Praisers, the vile of Islam, unto the corrupt of Hinduism.

""Son of Fire, Son of Fire, teach My Beloved Akurians and let the whole of Earth be aware and beware that My Beloved Akurians are among them, in open vision (**in plain sight**), and will spare neither the heathen nor the mongrel nor the socialist: and woe upon woe to whosoever shall seek to disarm them! For I am their Rod: they speak and Creation listens; I am their Staff: there is none beyond their reach; and into their hands do I demand Fire and I will not have them weakened.

""Son of Fire, Son of Fire, there are manifestations of spirits, hauntings, last appearances and final visitations. Few of Me, most of Demons. Be not deceived. Discern them for they cannot alter nor remove the presence of their essence.

""Son of Fire, Son of Fire, My Beloved Akurians shall enter the presence of spirits and not be taken of them; know the presence of spirits and all the source of them; understand the presence of spirits and be aware of them; encounter the presence of spirits and not be deceived of them. Lo! Are My Beloved Akurians not My Own True and Righteous Judges? How for then shall they rightly Judge should they be prevented from the presences? Lo! Are not My Beloved Akurians empowered to instruct all Seekers of Truth and all My Holy Law? For thus they are, and thus I am!""

Set forth your hands before you, about two hand spans from the solar plexus, palms facing, beyond the presence of your own energies. Sense the energies between your hands and clean your hands of all spirit residue.

In Spirit (mentally) call the entity into the presence between your hands.

Read/discern them and do not be deceived.

Those that are in the Depths scream in Angelic, the Language of the all the Planes and Depths, to the effect with more sincere 'pleases' than you can imagine, *"Let me go back and tell the others?"*

Release them by pulling your hands apart and letting them go. Should they attempt to linger or remain: cast them off immediately – by dissolving the energy they are made of and cleaning yourself.]

"Sire, and the Disciples after me?"

""Son of Fire, Son of Fire, My Holy Law shall not change until all be fulfilled, My Great Rewards delivered and My Great Wrath accomplished! I hear every True Repentance of My Beloved Akurians and Seekers of Truth: those who repent of Mine Anointed Elect Ones during their Reign, I hear and I abide: the Disciples and Generations of My Disciples who remain I hear and I abide: I hear not any other repentance. (Including to any entity, living or dead, of any religion regardless of claims or longevity.)

""Lo! I hear not any repentance whatsoever of That Great Babylonian Harlot at Rome and Constantinople, nor any repentance of her Harlot Daughters. Lo! Though they moan and shout amuch I am deaf to their petition and I consider them not. Their sacraments are an abomination in My Sight and a desecration Before Me! Are they not laden with the emblems and rituals of death? Why then should I reward them with life? Nay! I do not! Lo! Their very existence is the essence of abominations and all manner of blaspheme.

""Son of Fire, Son of Fire, as concerns all My Beloved Akurians, and all My Disciples unto Shiloh: though hell and horrors and abominations adorn their pathways I am mindful of them, for they are My Living Testimonies of all events, conditions, situations and perpetrators upon the whole World! Though they be persecuted unto death, none can dissuade them for they are those who live until death and die unto life! Lo! And they are a great anger unto Lucifer and all his minions: even those who despise all Truth because that Truth is against them!

""Son of Fire, Son of Fire, are there not those who have digged for themselves long chambers and filled them with much provisions and storage that they might refuge therein to escape the horrors and holocausts they have perpetrated upon all others? Yea! And are not many Nephilim also therein? Do they not sneak and giggle at those they have deceived and condemned? And yet their knowing Great Terror from end to end thereof is your Presence Before Me and Mine Ear bent to the Testimony of My Beloved Akurians! Yea! They fear. They fully know that from Me and Mine there is neither refuge nor escape from Justice! Yea! They fear. They speak it not, but they know! Yea! They tremble because they cannot include you or My Beloved Akurians in their Temples of Destruction and thus all their efforts and deceptions are in vain save for a little season. Lo! Is not their humor a vain display?; are they not their own laughing stock? Yea! And My Own Abominations await them.

""Son of Fire, Son of Fire, be comforted! Unto Shiloh, all who Seek My Truth shall find My Truth openly displayed in the Presence of My Beloved Akurians! All who pretend My Truth shall I destroy that they be erased from the Book of Life and remembered no more forever! As you have given My Holy Law so shall My Holy Law remain, unaltered and unchanged. As you have earned Before Me so shall I deliver.""

"Sire, and the Nations?, the Monarchs and the Authorities?"

""Son of Fire, Son of Fire, as you have Testified of them, so it is Before Me and so shall it remain: for they repent not! Do they not all prefer their own Damnations? (**Socialism**) Do they not all prefer unquestioned authority to murder and destroy all who cherish them not? Are they not all knowing liars setting forth great pretense of truth, honor, integrity, justice and righteousness of which they have neither?

""Son of Fire, Son of Fire, have any recognized My Anointed Ones or My Prophets among them" Yea! They recognize to silence and to murder, and never to consult, honor or obey. Have any delivered My Holy Due into your possession? Nay! For they practice deprivation, against you and all Mine, since the Days of the Kings of Israel because even My Chosen King Dahuduh (**David**) failed when he became obsessed with adultery and murder.

""Son of Fire, Son of Fire, Lo! Mine Anointed Dahuduh I set into account, removing My Appointment upon him and establishing it upon Nathan My Prophet: and I have not removed My Sword of Wrath from the House of Dahuduh to this hour. And this is My Testimony against all the Royal Houses and against all municipalities and against all courts of the lands and against all the Ashkenazi: Lo!, I shall not remove My Sword of Wrath from off your necks until you repent in sackcloth and ashes delivering My Holy Due unto My Holy Anointed, My Beloved Son of Fire!

""Son of Fire, Son of Fire, so you have Testified of them and so they shall die in their sins.

""Son of Fire, Son of Fire, know that your Blessing is My Blessing and your Curse is My Curse and your judgment is My Judgment. Lo! The Damnables have preferred war and I have sent My Holy Son of War to deliver war unto them. The Damnables have preferred war and war they shall endure, unrestrained and unmerciful, upon their own houses, upon their own heads and the blood thereof shall be accounted upon their own hands. Yea! The Damnables have wanted war and I shall give them war: in all they shall endeavor shall My Beloved Son of War be war and infinite destruction upon them and all their generations unto Shiloh.

""Son of Fire, Son of Fire, you have questions?""

"Sire, were I able to totally destroy only one thing upon the whole world to restore righteousness, intelligence, knowledge, integrity and justice: what would that one thing be?"

""Son of Fire, Son of Fire, "Socialism" in all its forms and guises! A community or a people in support of themselves is not communism as each is required to be more than sufficient unto themselves that there be Truth in All My Ways, Justice in My Land, Peace among My People, Honor in My Service, meat in My House, gold upon My Altar, Silver at My Gates and Dominion of Mine Anointed and My Prophets and safety in all the reaches thereof!

""Son of Fire, Son of Fire, have you not accounted the unjustified slain of all socialisms?; the absolute vile and infinite defamations and perpetual desecrations thereof? Does not their blood yet endlessly scream unto Me, "How long, Oh Lord? How long until we are avenged?" Yea! You have noted, and your Testimony unto Me is True and without flaw or exception!

""Son of Fire, Son of Fire, are not the mouths, promises, declarations and publishings of That Great Babylonian Harlot at Rome and Constantinople; all her Harlot Daughters; Demon-possessed Islam

of Mecca, Medina, Jerusalem, Constantinople and Jakarta; the despicable of self-devouring Hindus; the Sons of Ashkenaz who are that infinitely corrupt Synagogue of Satan: all declare much and deliver naught for they are all of the same socialisms? Neither they nor the governments thereof are worthy of My Considerations! Lo! Were all socialists among them put to the sword, the lands and cities thereof would be greatly emptied and I would rejoice in that Sacred Silence!

""Son of Fire, Son of Fire, behold! The whole World is ignorant of My Holy Law that is yet and will forever remain unchanged!; Behold, only My Beloved Akurians and their fellow Seekers of Truth are My Lights in that immense darkness! How long shall I suffer them?; for they repent not, neither do they concern themselves with their own impending destruction! Lo! I have Living Testimony against them and Living Judges of My Holy Law and I would that it be thus unto Shiloh.

""I have spoken it, I have sworn it upon Mine Own Self and I shall bring it to pass!

""Son of Fire, Son of Fire, speak now of anything of Me, and I will grant it.""

"Sire, nothing. I am content with who I am and my measured time upon the Earth, and my measured time as Supreme Commander of all the Mighty Horsemen. Nothing, Sire, nothing."
